

AUTHOR INDEX TO VOL. 15, 1983

Author	Article	Issue and Pagination
Bosworth, A. B., S. M. Meola and J. K. Olson	The Chorionic Morphology of Eggs of the <i>Psorophora confinnis</i> Complex in the United States. I. Taxonomic Considerations	(4):285-309
Clark-Gil, Stephanie and Richard F. Darsie, Jr.	The Mosquitoes of Guatemala. Their Identification, Distribution and Bionomics, With Keys to Adult Females and Larvae in English and Spanish	(3):151-284
Darsie, Richard F., Jr.	The Occurrence of <i>Psorophora cingulata</i> and <i>Uranotaenia apicalis</i> in Guatemala	(1):28-32
Harbach, Ralph E.	Notes on some types of <i>Culex</i> (<i>Culex</i>) (Diptera, Culicidae) deposited in England and France	(2):98-110
Harbach, Ralph E. and Bruce A. Harrison	Freeze-drying Adult Mosquitoes for Taxonomic Study	(1):50-54
Harbach, Ralph E., E. L. Peyton and W. L. Jakob	Synonymy of <i>Culex</i> (<i>Culex</i>) <i>oswaldoi</i> with <i>Culex</i> (<i>Culex</i>) <i>maxi</i> (Diptera, Culicidae)	(4):310-317
Hartberg, W. Keith, and William H. Faircloth	Mitotic Chromosomes of the Mosquito <i>Eretmapodites quinquevittatus</i> Theobald	(4):325-329
Mendis, Kamini N., R. L. Ihalmulla, E. L. Peyton, and S. Nanayakkara	Biology and descriptions of the larva and pupa of <i>Anopheles</i> (<i>Cillia</i>) <i>elegans</i> James (1903)	(4):318-324
Miyagi, Ichiro, Takako Toma and Benjamin D. Cabrera	Synonyms of <i>Topomyia rausai</i> with <i>Topomyia apsarae</i> , with description of the larva (Diptera: Culicidae).	(2):111-116
Miyagi, Ichiro, Takako Toma and Delfin G. Rivera	<i>Topomyia</i> (<i>Topomyia</i>) <i>cabrerai</i> , a New Species from the Philippines (Diptera: Culicidae)	(1):1-4

- Miyagi, Ichiro, Takako
Toma, Hiroshi Suzuki
and Takao Okazawa Mosquitoes of the Takara Archipelago,
Japan (1):18-27
